A Note from the Administrator

KCA Community,

As we begin looking to the 2024-2025 academic year, I want to thank each of you for the time and dedication you have shown toward helping your student(s) meet their academic goals. What a blessing it is to partner with families who value Biblical faith as part of their child's education and make time to ensure their child(ren)'s academic needs are met.

We also understand there may be concerns or questions regarding the announcements that came from the Town Hall meeting. The Board and I would be happy to meet with you, listen to your concerns and answer any questions. I would also invite any parent who would like to share their experiences with KCA faculty and staff, or share any needs or concerns, to stop by my office or schedule a time to meet with me or the Board.

In the coming days, there will be information regarding any open teaching positions, as well as open Board and Committee spots. Please consider how you can partner with KCA to help us fulfill the mission before us - to be a light for Christ in Callaway county!

In Christ,

Naomi Stephens

Enrollment for the 2024-2025 school year is now available in Gradelink. Students who complete re-enrollment before May 1st will have the \$50 enrollment fee applied toward next year's tuition.
