KCA - Self-Control Over Thoughts

2 Corinthians 10:5

We demolish arguments and every pretension that sets itself up against the knowledge of God, and we take captive every thought to make it obedient to Christ.

Attribute of God - Wise Romans 16:27

To the only wise God be glory forever through Jesus Christ! Amen.

Fruit of the Spirit - Self Control

Galatians 5:22-23

But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control...

Students

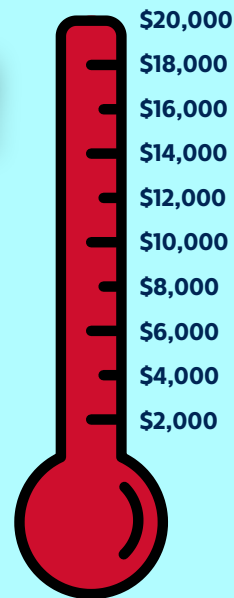

Self-Control Over My Body 1 Corinthians 9:27

But I discipline my body and make it my slave, so that, after I have preached to others, I myself will not be disqualified.

Double Impact Achieved!

The Fruitful Foundations Challenge starts now...

Hello KCA Family,

What a joy it has been to serve you over the past 18 months. Your students have touched my heart in a most precious way. I am looking forward to transitioning to the much needed role of donor development to help raise funds for our building, help raise funds to raise salaries for teachers, and most importantly keep tuition low.

You all have done such an amazing job all year at all the extra things we ask of you. I hate to put one more task on you as school is wrapping up, but it is imperative that we keep trying to build God's Kingdom. We are starting a Fruitful Foundations Challenge where the students, staff, alumni, and donors will be given a web page to share with family, friends, and community connections to help build Kingdom Christian Academy.

At our last professional development day, the school provided the staff a bible study from the book of Nehemiah called Arise. That book of the Bible is so pertinent to us at this time. If you are looking for good summer reading, join us. Here are the main take-aways:

 **1. Nehemiah Saw a Need**

“Nehemiah looked at broken walls... and it broke his heart.”

“We see a need too. We're building something for our community and for God's Kingdom on earth.” After 31 school years, it is time for KCA to own its own building and quit paying rent.

 **2. Nehemiah Prayed First**

“Before he built anything... he prayed.”

“This challenge isn't just about effort. It's about trusting God as we go.”

 **3. Everyone Had a Section of the Wall**

“Families worked side by side. Each person built their part.”

Each classroom = a section of the wall

Each team = a fruit of the Spirit which we have studied all year.

Everyone contributes “You don't have to build the whole wall... just your part.”

 **4. It Wasn't Always Easy**

“They faced opposition, distractions, and challenges.”

Some weeks may feel slow. Some teams may fall behind

It takes patience and faithfulness. “This is where the fruit of the Spirit shows up.”

 **5. They Finished the Work**

“And they completed the wall... together.

“We're not just starting strong... we're finishing strong.”

Thank you for choosing KCA. We look forward to the momentum that will come ahead and we endeavor to be obedient stewards of the resources, talents, and hopes the Lord has given us. Watch for weekly updates at how each team is doing. –

Blessings to all!

Your friend in Christ,
Mrs. Wickham
