The Summer Update

June 26, 2026

Our Story.....

Kingdom Christian Academy has completed Phase 1 of our 2-part building project to create a permanent home in our community. In the past few months, the foundation for the entire project has been completed, and a gym area has been enclosed - all without incurring debt. This progress would not be possible without God-sized gifts and direction. Phase 2 of the building project will finish the school home and allow permanency in our community for our current students and future generations. We began this pursuit with caution and faith, but we now feel it is time to build and to provide our community, former alumni families, friends, and churches with the opportunity to invest in a ministry that is focused on continuing to minister to our students, leading them in spiritual growth, and instilling academic excellence through Bible-based curriculum taught by Christian teachers.

Faith

Kingdom Christian Academy's mission is to **glorify God** through a unique community where Christ-centered **love and discipline** are present and students flourish as they **learn, grow, and serve**.

KCA Family:

As this will be my final update as Administrator, I am overwhelmed with gratitude for all God has allowed us to accomplish together. From celebrating 30 years of Christian education, to expanding our campus, to watching countless students grow academically, spiritually, and personally, I have been continually reminded that this school belongs to the Lord.

It has been an honor to walk alongside an incredible board, dedicated faculty and staff, faithful families, generous supporters, and amazing students who have made this ministry what it is today.

While I will deeply miss this role, I believe God is leading me into a new season where I can continue serving through growth and development opportunities.

Though my responsibilities will change, my desire remains the same—to help students flourish, building strong relationships, and making a lasting impact in the ways people know Jesus Christ.

KCA will always hold a special place in my heart. The friendships, memories, challenges, victories, and countless moments of witnessing God's faithfulness have shaped me both personally and professionally.

I leave with tremendous gratitude and complete confidence that God will continue to lead this ministry. His plans for Kingdom Christian Academy are greater than any one person, and I look forward to seeing how He continues to bless the school in the years ahead.

My prayer is that Kingdom Christian Academy will continue to stand firmly on God's Word, equip students to know Christ, pursue excellence in education, and impact future generations for His Kingdom.

With sincere gratitude and God's blessings,

Tammy Wickham
